**Tennis Camp For Ages 5 - 11**

Our tennis camp is designed to spark your child's interest in the sport of tennis.

We believe that by creating a fun and inviting atmosphere, your child will be able to learn the basics of the game (terminology, scoring, strokes, and etiquette), improve coordination, focus, and agility, all while developing a love of the game.

Whether new to the sport or a returning player, our program is designed to further develop your level of play through drills, match play, and tennis-related activities.

Students are grouped by age and skill level to ensure they get the most enjoyment out of their camp experience!
